Dear Friends,

It gives me great pleasure to invite you to be part of a Physicians meet organized by Academy of Respiratory Medicine under the auspices of Environmental medical association.

As you may be aware environmental medical association is three decades old organization working in the field of medical education and environmental upliftment. Our website - www.environmentalmedicalassociation.com gives all the details of various activities of the association. Academy of respiratory medicine is five years old brain child of Prof Dir Dr K C Mohanty & Prof Dr P S Shankar to promote respiratory medicine. Academy has published more than 10 books in last 5 years.

Physicians meet is designed to discuss various day to day problems that we face in the management of common respiratory problem & to make it more interactive we have interesting panel discussions. I am thankful to the guest faculty for accepting our invitation & sparing their invaluable time. This event would not have been possible without the educational grant from GSK & Philips India.

I am sure you would find this meeting useful in managing your respiratory cases. The CME has been accredited by Maharashtra Medical Council. Looking forward to meet you at the venue.

Prof. Dr. Agam Vora,
Hon. General Secretary
Academy of Respiratory Medicine

Please register by sending a confirmation mail on ncsarangdhar@rocketmail.com
